'You must love one another as I have loved you.' John 13 v 34.

Working together with love we will provide a happy and nurturing environment where all will, **'learn to love and love to learn'**, making outstanding progress through an enriched and creative curriculum. Through our strong Christian ethos we will celebrate and embrace the richness of our community.

Learn to Love - Love to Learn

'You must love one another as I have loved you.' John 13 v 34

Year 5 Trip: National Space Centre

Year 5 had a wonderful day at the National Space Centre last week. Children had the chance to explore six galleries which were crammed full of rockets, satellites and meteorites. They also took in a show at the UK's largest domed planetarium, and ascended the iconic rocket tower. A memorable day to deepen and extend their understanding of the Solar System and Space.

Clean water.
Decent toilets.
Good hygiene.

World Water Day

Friday 28th March 2025

UNICEF Ambassadors launched World Water Day in church this morning, delivering an informative and impactful presentation. Please support the Blue Themed Non-Uniform Day on Friday 28th March to enable Water Aid to continue with much needed projects across the world.

By 2040, 1 in 4 children will be living in places where there is not enough water.

Image: WaterAid/ Fatheh Monir

We can't change the weather, but we can change its impact. We must adapt so communities have clean water even in a climate crisis.

➔ [Find out more about climate and water](#)

703 million people are still living without clean water close to home.

Image: WaterAid/ Fatima Modir

Working alongside communities, we won't stop until everyone, everywhere has clean water, decent toilets and good hygiene.

➔ [Learn about the difference we make](#)

1 in 10 don't have clean water – and climate change is making it worse.

Image: WaterAid/ Hana Koh Acquari

Dramatic flips between floods and drought are threatening fragile water sources, making life even harder for those on the front lines of climate change.

Should I keep my child off school?

Yes

Until...

Chickenpox	at least 5 days from the onset of the rash and until all blisters have crusted over
Diarrhoea and Vomiting	48 hours after their last episode
Cold and Flu-like illness (including COVID-19)	they no longer have a high temperature and feel well enough to attend. Follow the national guidance if they've tested positive for COVID-19.
Impetigo	their sores have crusted and healed, or 48 hours after they started antibiotics
Measles	4 days after the rash first appeared
Mumps	5 days after the swelling started
Scabies	they've had their first treatment
Scarlet Fever	24 hours after they started taking antibiotics
Whooping Cough	48 hours after they started taking antibiotics

No

but make sure you let their school or nursery know about...

Hand, foot and mouth	Glandular fever
Head lice	Tonsillitis
Threadworms	Slapped cheek

NSPCC ™

HELPLINE

0808 800 5000

help@nspcc.org.uk

If you have any concerns about a child, trust your instincts and contact the NSPCC Helpline. Our specialist team will listen, advise and take any action needed.

An estimated 1 in 20 children have experienced sexual abuse. And child sexual abuse is under-reported by adults. It's time for that to change.

It's never too soon to talk to us. And what you share could make a life-changing difference to a child.

You can contact the NSPCC Helpline by calling 0808 800 5000, emailing help@NSPCC.org.uk or completing our report abuse online form.

Due to an increase in demand across our service, our voice Helpline is currently available 11am–5pm Monday to Friday. You can still email help@NSPCC.org.uk or complete our report abuse online form at any time for free. You don't have to say who you are.

If you think a child is in immediate danger, please call the police on 999 straight away.
